wireless headphones

Forward-thinking functionality, soundly designed

Compatible with Bluetooth-enabled audio devices, these wireless headphones are perfect for home and the office. High-quality drivers are set within the cushioned headphones, offering both comfort and crisp, rich sound. With a built-in microphone, you can easily switch between playing music and incoming calls. Forget tangling cords, enjoy hands-free easy listening and chatting as you work or play!

Highlights

- Enjoy hands-free conversations and a clear signal reception up to 33 feet away from the audio source
- Bluetooth platform, compatible with most mobile devices
- Lightweight and comfortable on-ear fit
- Wide adjustable headband and leatherette ear pads
- Folding design for compact mobility
- Memory slot for micro-SD cards
- On-board controls for power, music and phone call management
- Up to 5 hours of normal operation and approximately 25 hours of stand-by time
