soundbar system

Raising the bar on how great audio can be enjoyed

The impressively looking soundbar from KlipXtreme redefines the way you experience audio. This versatile 2.1 stereo system features matching satellites that can be transformed into two twin towers, split into left and right speakers for greater placement flexibility and best of all, they can be converted into a one-piece soundbar for a sleek, modern look. A dedicated subwoofer with lights delivers immersive and powerful bass, capable of bringing any sound to life. Equipped with the latest *Bluetooth* wireless technology, the system streams music seamlessly from compatible devices up to 50 feet from the audio source. Boasting 70 watts of stage quality audio with cinema-like accuracy, this sound system is the perfect addition to your entertainment room or home theater system!

Highlights

- Versatile configuration options: Tower speakers (stand), traditional left and right (wall mount), complete soundbar (one piece)
- 2.1 channel surround sound system that combines a bold design, *Bluetooth* wireless technology and great acoustic quality
- 70 watts of total power output through an 8-inch subwoofer and four 2.25-inch satellite drivers

- RCA inputs to connect your cable box, DVR, Blu-ray™ or DVD player
- LED mood lighting: 6 illumination modes to choose from
- *Bluetooth* 4.0
- USB port
- Front control panel
- Convenient remote control

Specifications

• Type	Wireless 2.1-channel convertible soundbar system
• Maximum power output (RMS)	70W
• Sound enhancement technology	Powerful bass driver unit technology
• Stand by	Yes
• AC input	100-240V 50/60Hz (autosensing)
• LED Lighting	6 lighting effects (5 solid colors plus 1 cycling of all colors)
Satellite speaker	
• Driver units	2.25 inches per channel (4 total)
• Maximum power output (RMS)	35W total
• Frequency	135Hz~20kHz
• Impedance	4Ω
• Sensitivity	≥ 45dB
• Sound pressure level (S.P.L.)	92dB with less than 1% total harmonic distortion
• Signal to noise ratio	≥70dB
Subwoofer	
• Driver unit	8 inches
• Maximum power output (RMS)	35W
• Frequency	30Hz~104Hz
• Impedance	8Ω
• Sensitivity	≥ 45dB
• Sound Pressure Level	90dB with less than 1% total harmonic distortion
• Signal to noise ratio	≥70dB
Connectivity	
• Connection type	<i>Bluetooth</i> 4.0, RCA and 3.5mm (using adapter)
• Wireless range	50ft
Additional information	
• Dimensions	Speaker: 4.7x4.3x16.3in (each) Subwoofer: 9.4x13.8x14in
• Weight	11.5lb
• Cable length	Power cable: 1.5m RCA female to 3.5mm male adapter cable: 7.9in RCA male to RCA Male cable: 59in
• Warranty	One year
