Laptop backpack

For laptops up to 16"

Accessory pocket

Organizer

Contoured shoulder strap

Padded back panel

portability

Designed for contemporary nomads

With great organization and portability features, the Klip Xtreme® Laptop Backpack is incredibly practical and stylish. Featuring a densely padded laptop compartment, this backpack perfectly accommodates your portable devices, documents, and all those other essentials you may need for the journey. An ergonomically padded back panel provides superior lumbar comfort. Its sturdy construction, coupled with strong zipper closures, ensures superior durability without cramping your unique urban style.

- **Protection:** Lined and padded main compartment, with divider and strap, suitable for laptops up to 16 inches
- **Organization:** The front features a multifunctional compartment with interior organizer for daily stationary, cell phone, documents, business cards and other key accessories. A small zippered pocket provides easy access to frequently used items
- **Convenience:** Sturdy and functional design, perfect for hauling your gear easily on your back
- **Comfort:** Integrated handle, plus contoured shoulder straps
